Dear Fencer / Parent / Guardian

Over the last 10 years the Huntingdonshire Fencing Club has considerably increased its membership and is now a thriving and competitive Club.

This membership increase has not only been with adult members but I am pleased to say with its younger members, we currently have over 20 younger people (under 18's) registered. This is great news for the future not only of our Club but fencing in general.

Such membership does however bring with it concerns. It has become evident that with such an increase in numbers, it is becoming increasingly difficult to keep track of all of our younger members whilst at the Club/Sports Centre. In fact we do not always know who has arrived and who has left and more importantly, with whom! To this end, the Club has decided to introduce a register for signing in and out.

In addition, we have updated our Child Protection Policy (see enclosed).

Would all fencers please fill in the enclosed registration form to allow us to update our records and tick the box to indicate whether or not you agree with our Child Protection Policy. If you have any questions about the policy please speak to a committee member.

We also include our revised club rules and BFA clothing regulations (effective since 1/1/06).

Thank you for your cooperation,

Huntingdonshire Fencing Club Committee
